

Staff & Client Community Access Register

It's recommended that all staff members and clients download on their mobile phones the COVID Safe App for contact tracing purposes for all community access shifts. This helps us support and protect you, your Disability Support Workers, your friends and family.

Name (first & surname):

Date:

Time left:

Client full name:

Time arrived back to house:

How did you get to your location (Did you use a taxi, public transport – train, bus or tram or client or staff vehicle)?:
