What is MASS?

What is MASS?

The Medical Aids Subsidy Scheme (MASS) provides funding for medical aids and equipment to eligible Queensland residents who have a permanent and stabilised condition or a disability. The scheme helps people to live at home and avoid early or inappropriate residential care or hospitalisation.

What products are available?

The following products are available through Independence Australia:

- Disposable pads, nappies, pull-up style pants and all-in-one pants
- Indwelling and disposable catheters
- Catheter valves
- Sheaths (latex and non-latex)
- Leg and night drainage bags
- Stretch pants (only supplied with non-adhesive shaped pads)

Who is eligible?

To apply for assistance under MASS, you must:

- Be a permanent resident of Queensland
- Have a permanent or stable condition or disability
- Hold a pensioner concession card, health care card or Queensland Government Seniors Card

You need to be assessed by one of the following clinicians: Continence specialist registered nurse, Geriatrician, Occupational therapist, Paediatrician, Physiotherapist, Registered nurse, Urogynaecologist or a Urologist.

Subsidy amounts and criteria

MASS will supply a subsidised amount of continence aids every 6 months, or every 12 months for indwelling catheters, and bed and chair pads. The subsidy varies according to the item needed.

Lodging an application

Initial application

For the initial application, the following forms will need to be completed by an eligible prescriber.

- MASS 50 Continence Aids: Initial and Review Application Form – **Part A** is to be completed by the client and **Part B** by the clinician.
- MASS 84 Proxy Access to Centrelink Information Form or include a photocopy of both sides of your concession card.

The above application forms can be downloaded by visiting the Info tab at www.independenceaustralia.com and selecting “Funding Schemes”. The application forms should then be faxed or posted to one of the MASS service centres. Contact details are supplied on the application forms.

Reapplying for the same aid

To reapply for the same type of continence aid (within 3 years), the client will need to call MASS on **1300 443 570** and place an order. They will need to have the previous approval letter and know the type and brand name of the aid used.

Reviewing applications

Review applications are needed when the client changes the type of aid needed, or when it has been 3 years since their last application was reviewed. The initial application process will need to be repeated.

Thank you!

With your help we are supporting hundreds of people with disabilities by providing a range of vital services including:

- Attendant care
- Accommodation
- Respite
- Counselling
- Recreational facilities
- Case management
