how to Prescribe

The approved prescriber (nurse advisors, registered nurses, general practitioners, urologists and, for some items, physiotherapists and occupational therapists) assesses the beneficiary's eligibility; that is their possession of either Gold or White card.

The prescriber determines the continence aids required. To view the full product range either: **1)** Visit www.independenceaustralia.com.au/dva or **2)** Log in to the RAP Prescriber Portal to download a DVA catalogue (details below).

An initial prescription can be completed by submitting the Direct Order Form via:

Independence Australia's RAP Prescriber Portal

Visit www.iarap.com.au to create a new prescriber account (if not registered) or to login (if registered)

Once logged in select '**Create New Prescription**'

When the fields have been entered and the products have been selected complete the process by selecting '**Create Prescription**'

Email, Fax or Mail

The prescriber completes the Direct Order Form which can be downloaded by visiting www.iarap.com.au under Resources

Submit the completed Direct Order Form to Independence Australia

Reply Paid 9910
MELBOURNE VIC 8060
(No stamp required)

Upon receiving the prescription, Independence Australia will deliver the order directly to the beneficiary's place of residence. DVA orders will be delivered within 2 working days in metropolitan areas or 5-10 working days for rural areas.

The prescriber is required to provide the beneficiary with a copy of the Direct Order Form for re-ordering purposes.

The initial prescription is valid for up to two years. Subsequent orders can be made by a prescriber, the beneficiary or their nominated representative. Orders can be placed via phone, fax, email or by prescribers using the RAP Prescriber Portal.

what is RAP?

What is the Rehabilitation Appliances Program (RAP)?

The Rehabilitation Appliances Program (RAP) is an Australian Government program administered by DVA, which provides aids and appliances to eligible members of the veteran community to help them maintain functional independence in their homes.

Independence Australia is a preferred supplier for the supply of continence and urology products under this program and can supply the full range to entitled persons nationally.

Who is eligible?

RAP products are available to Gold and White card holders on the basis of an assessed clinical need made by an appropriately qualified health provider. The prescriber will need to determine the eligibility of White card holders for continence products by contacting the DVA RAP team on 1800 550 457.

Who can order?

Continence products listed under the relevant item code in the RAP National Schedule of Equipment, may be prescribed using the Direct Order Form by healthcare professionals. These include continence nurses, registered nurses, general practitioners, urologists and, for some items, physiotherapists and occupational therapists.

Once a prescription has been submitted and approved, entitled persons can re-order goods directly by contacting the Independence Australia Customer Service team. The RAP Schedule lists the type of health provider able to prescribe products under the relevant item codes.

What products are available?

To find out what products are available under DVA's RAP scheme, please refer to this catalogue or visit the Independence Australia RAP Prescriber Portal and log in to www.iarap.com.au

Conditions for ordering continence products

RAP provides products according to clinically assessed needs in a cost-effective manner and prescribers should prescribe or order the simplest and most effective products that will suffice in terms of health needs and cost.

Prescribers and DVA beneficiaries can only order or re-order a maximum of three (3) months supply of items at a time.

If an order is placed that differs from the existing Order Form a new Order Form from the prescriber will be required. New forms should indicate whether the order is a request for items in addition to the current order, or whether this is a result of a new assessment. If it is the result of a reassessment it will replace all previous Order Forms and begin a new two (2) year period.

When requests for supplies outside the two (2) year period are made, the prescriber will be required to reassess the beneficiary and complete a new Order Form. This assessment may be conducted by telephone if the beneficiary is unable or unwilling to attend the clinic and/or the condition is long term and stable.

Orders for continence products that are not listed on the DVA RAP Schedule and supplier list, are to be referred to the DVA RAP team. Requests must include clinical information to support provision and details of any products trialled and why they are considered inappropriate to meet the beneficiary's clinical needs. A prior approval number will be provided, if appropriate. When a prescriber wishes to place an order with a supplier who is not included on the RAP National Schedule of Equipment, prior approval must be obtained from the DVA.

Restrictions to the supply of continence products and consumables

Orders are not to be placed for DVA beneficiaries who are permanent residents in residential aged care facilities and in receipt of a higher level of care. The residential care facility is responsible for the provision of continence products to this class of resident.

Orders

Prescribers should order products that are on the supplier list. If there is a clinical need for an item or product that is not included on the supplier list, prescribers should contact the DVA RAP team for prior approval, providing clinical information to support the request.

To aid beneficiaries in the direct ordering of continence products, suppliers will be responsible for notifying them that an order has been placed with their organisation, and that they can re-order the prescribed products by contacting the organisation directly instead of the prescriber or DVA.

The standing order is to be reviewed every two (2) years and the beneficiary reassessed to determine that appropriate products are being used. A new Order Form is to be completed and forwarded to the supplier and will be valid for a further two (2) years. The beneficiary may need to be referred to the prescriber by their Local Medical Officer.

Further Information

At Independence Australia, we have a variety of resources to assist in the prescribing of products for entitled persons. These are:

- An online portal for placing prescriptions and checking on the entitled person's ordering history www.iarap.com.au
- Prescription pads (digital or hardcopy)

DVA Customer Phone
1800 980 936

customerservice@iagroup.org.au

www.iarap.com.au

Alternatively, for any DVA RAP enquiries in regards to continence products and supply arrangements please call the DVA Health Provider Line: **1800 550 457** (metro or regional) and select option 1.

Lodging an Application

How do I lodge an application?

Initial prescription

The prescriber assesses the beneficiary's eligibility; that is their possession of either a Gold or a White card. Once the prescriber determines the continence aids required an initial prescription can be completed either by submitting the Direct Order Form via fax, email, mail, or through the Independence Australia RAP Prescriber Portal, as follows. Re-order options include Independence Australia RAP portal or Direct Order Form via email, fax or mail.

Direct Order Form

1. The prescriber is to complete the Direct Order Form which can be downloaded from the Resources tab at www.iarap.com.au. Please ensure that all fields are completed and that the order meets the RAP Schedule requirements.
2. Please submit the completed Direct Order Form to Independence Australia.

 customerservice@iagroup.org.au

 **1300 788 811**

 **Independence Australia**
Reply Paid 9910
MELBOURNE VIC 8060
(NB: No stamp required)
3. Upon receiving the prescription, Independence Australia will deliver the order directly to the entitled person's place of residence. DVA orders will be delivered within 2 working days in metropolitan areas or 5-10 working days for rural areas.
4. The prescriber is required to provide the beneficiary with a copy of the Direct Order Form for re-ordering purposes.

RAP Prescriber Portal

1. Go to www.iarap.com.au
2. Sign up to create a new prescriber account (if not yet registered)
3. Login using your account details
4. Select 'Create a New Prescription'
5. Complete the fields and select the product(s) to order
6. Once all fields have been entered, select 'Create Prescription' and the prescription will be placed with Independence Australia.

Subsequent orders

As the initial prescription is valid for up to two years, subsequent orders can be made by a prescriber, the entitled person or their nominated representative. Orders can be placed via email, fax, phone, showroom or by prescribers using the Independence Australia's RAP Prescriber Portal.

Continence Products

Privacy notice

Your personal information is protected by law, including the *Privacy Act 1988*. Your personal information may be collected by the Department of Veterans' Affairs (DVA) for the delivery of government programs for war veterans, members of the Australian Defence Force, members of the Australian Federal Police and their dependants.

[Read more: How DVA manages personal information](#)

Rehabilitation Appliances Program (RAP) and other government services (such as the National Disability Insurance Scheme (NDIS), Home Care Package or Commonwealth Home Support Program (CHSP)) – Aids, appliances and modifications can be provided by RAP or other government services, such as NDIS/Home Care Package/CHSP, as long as the same aid/appliance/modification is not duplicated by both RAP and NDIS/Home Care Packages/CHSP.

Initial Orders

To establish this order complete the form below. If the client has a:

Gold Card – send the form directly to the supplier (details are in the 'Select a Supplier' section of this form on page 2).

White Card – send the completed form, nominating your preferred supplier and with information on the client's clinical need (name of the condition) that has led to client requiring continence products to RAPGeneralEnquiries@dva.gov.au. DVA will be checking to ensure the client has an accepted condition that aligns with this information. If approved DVA will forward the order directly to the nominated supplier.

If the client is in a Residential Aged Care Facility (RACF) – the level of care will determine eligibility of the client. Clients with higher ACFI classifications should have continence products supplied by the RACF.

Subsequent Orders

This direct order from is valid for 2 years only.

Only **3 months** supply will be provided at a time.

The prescriber, the client or their nominated representative will need to contact the supplier for subsequent orders.

On completion of the 2 years the client will need to be reassessed and another form completed by the appropriate health provider.

Order (Provider to complete)

Please refer to 'Description of Items' on the next page

DVA Item No.	Supplier Item No.	Description of Continence Products (e.g. brand, size)	Quantity

Note: Orders are to be limited to 3 months supply or as prescribed by the special conditions listed on the next page.

Items should be prescribed to meet the assessed clinical need. All clinical details associated with each request are to be retained by the Provider and provided to DVA if requested.

After the first request by the Provider, the prescribed products can be ordered as required by the entitled person e.g. any amounts up to 3 months supply of disposable pads.

Description of Items			
Item No.	Assessing Health Provider	Description	Comments
AD01	OT, RN, CA, S, LMO, Physio	Draw Sheet - Absorbent, Waterproof Backing	Functional and product(F&P) assessment
AD02	OT, RN, CA, S, LMO, Physio	Disposable Liners/Underpads (blue underlay)	F&P assessment
AD03	RN, CA, S, LMO, Physio	Catheter Drainage Bag (non-sterile/sterile) non-drainable i.e. overnight bags, only used once	F&P assessment
AD04	OT, RN, CA, S, LMO, Physio	Urinal (with/without holder) (male and female)	F&P assessment
AD05	LMO, S, CA,RN, Physio	Catheters - In-Dwelling (e.g. Foley)	F&P assessment
AD06	OT, RN, CA, LMO, S, Physio	Continence Briefs long lasting	Non-disposable and washable briefs
AD07	OT, RN, CA, LMO, S, Physio	Continence Pads - Disposable	Disposable ‘pull-ups’ are considered to be pads.
AD08	RN, CA, S, LMO	Urine Drainage Bottle - 4 litres (with connecting tubing)	F&P assessment
AD09	RN, CA, S, LMO	Leg Bag (non-sterile/sterile)	F&P assessment
AD10	S, RN, LMO, CA	Penile Clamp	F&P assessment
AD11	LMO, S, CA, RN	Catheters - intermittent (e.g. Nelaton)	F&P assessment
AD12	RN, CA, S, LMO	Catheters - External (e.g. uridome/penile sheath/penile pouch)	F&P assessment
AD13	RN, CA, S, LMO	Urine Collection Bag Hanger	F&P assessment
AD14	OT, RN, CA, S, LMO	Waterproof Sheet (rubberised)	F&P assessment
AD15	RN, CA, LMO, S	Continence Consumables	Limited to products on suppliers' product list. Includes sterile gloves, KY Jelly, sterilising agents, tubing and perineal/stoma cleansing products, sterile water and normal saline.
AD16	CA, S, LMO, RN	Occlusive Devices (e.g. anal plugs)	F&P assessment
AD17	S, LMO	Urethral Meatal	F&P assessment
AD18	RN, CA, S, LMO	Faecal Collector - Perianal	F&P assessment
AD19	OT, RN, CA, LMO, S, Physio	Continence Briefs (Mesh/Stretch)	Stretch, mesh, disposable briefs but can be washed/re-washed between 4-30 times before needing to be replaced. Used to hold either disposable pads (AD07) or washable pads (AD21) firmly in place.
AD20	RN, CA, LMO, S	Pessary ring	Initially by GP, S, and subsequent requests for supplies can be made by RN, CA or entitled person.
AD21	OT, RN, CA, LMO, S	Continence Pads - Re-usable/Washable	Limit of 18 every 3 months. Often used in conjunction with AD06 (long lasting continence briefs) or AD19 (continence briefs - short term). Functional and product assessments should be undertaken.
AD22	RN, CA, LMO, S	Catheter Drainage Bag (non-sterile/sterile) -Drainable	Entitled person education and follow-up should be undertaken to ensure that the entitled person is aware of the number of usages possible per bag e.g. change the bag once a week and not daily. For non-drainable bag see AD03.
AD23	RN, CA, LMO, S	Catheter valves - Long Term	F&P assessment
AD24	OT, RN, CA, Physio	Chair pads - waterproof	A home assessment should be undertaken to determine suitability of chair being utilised and to identify potential falls risk. The entitled person may require an assessment of appropriate continence pad/product or consideration of item AD26.
AD26	RN, CA, LMO, S, OT, Physio	Continence Absorbent Mat - for beside the bed only	This mat may assist entitled persons with urgency and/or nocturia, particularly when moving from sitting to standing position. An appropriate continence pad/product may also be required. A home assessment should be undertaken to assess and evaluate the entitled person's home environment for the purposes of determining whether products are required, and if so, establishing the most suitable type of product.
AD27	Physio, CA	Muscle Stimulator for Continence Issues (includes appropriate electrodes and batteries)	Limit of 1 per person. Use of the muscle stimulator would be part of an overall management plan which includes a home exercise program and appropriate reviews. Instruction in use, prescription of exercise and continence education would be provided by a continence nurse or physiotherapist. Evaluation of the effectiveness of this type of intervention would be completed prior to recommendation of supply.
AD28	OT, RN, CA, S, LMO, Physio	Replacement parts, repairs and accessories (relating to item AD27)	DVA accepts financial responsibility for items not covered under the warranty period.
AT10	RN, S, LMO	Indwelling pleural/Abdominal Drainage Kit	Product assessment should be conducted. The assessing RN should be a Clinical Nurse Consultant or Nurse Practitioner in palliative care.
AU05	OT, RN, S, LMO, Physio	Disposable Bed Bath/Shampoo Kit	F&P assessment
